Section D: Beef cattle held back from processing (surplus animals)

Intakes will begin on the Monday of each calendar week.

In the table below, list feedlot cattle or cull cows that you would like to enrol and your preferred intake period.

You will receive notification from Agricorp of your approval status. Once accepted, you will be required to provide Canadian Cattle Identification Agency (CCIA) tag numbers for all cattle enrolled. If you have eligible cattle that are not accepted for the current intake period, they will be prioritized for the following week.

- I certify that I was scheduled to ship the cattle listed on this application, and I was not able to do so because of reduced processing capacity of Ontario cattle due to a COVID-19 event. Yes No
- I certify that as of the first day of the enrollment period, the cattle listed on this application meet the following minimum weight and grading requirements:
 - The average weight of each lot of cattle is 1,400 pounds (live weight) for feedlot cattle steers, and 1,300 pounds (live weight) for feedlot cattle heifers. Yes No
 - Feedlot cattle enrolled are expected to make Grade “A” upon being processed, and culled cows are expected to make Grade “D” upon being processed. Yes No

Section E: Other funding (if applicable)

If you applied for, were eligible for or received funding from any federal-provincial-municipal source meant to address the costs incurred that are covered by this Initiative, provide the details below.

Section F: Agreement and signature

I understand, agree and certify that:

General

1. I have read, understand and agree to all of the Canada-Ontario COVID-19 AgriRecovery Beef Emergency Feed Maintenance Initiative's terms and conditions, including its eligibility requirements, entitlements and obligations as contained in this application and described in the Guidelines.
2. To the best of my knowledge, information and belief, all information submitted on this application is accurate and true.
3. I have disclosed any financial assistance I received from any federal, provincial, municipal source meant to address the costs incurred that are covered by this Initiative.
4. In the event of an error, omission, conflict or inconsistency between this application and the Guidelines, the Guidelines will prevail. I further accept that in the event of an error, omission, conflict or inconsistency as between the Guidelines and the Provincial Minister's Order, the Provincial Minister's Order prevails.

Eligibility

5. I was scheduled to ship Feedlot Cattle or Cull Cows, and I was not able to do so because of reduced processing capacity of Ontario cattle due to a COVID-19 event. I will feed Surplus Animals for the duration of the Enrollment Period.
6. I am submitting an application for Surplus Animals only.
7. I am not in the business of processing Feedlot Cattle or Cull Cows, unless I am part of a co-operative that owns the Affected Processor and the Feedlot Cattle or Cull Cows are being processed by that Affected Processor.

Overpayments and recoveries

8. Any payments that I receive under the Canada-Ontario COVID-19 AgriRecovery Beef Emergency Feed Maintenance Initiative beyond the amount I am entitled to in the program year, or in contravention of: (a) any program requirements, (b) the obligations set out in this form, or (c) the laws of Ontario

or Canada, will be considered an overpayment and a debt due and payable to the Crown in right of Ontario or Canada. I confirm that any overpayments, plus any interest accruing at the quarterly rate set by the Ontario Ministry of Finance, will be repaid either by: (a) offset from payments owing to me under this or any other initiative or program administered or delivered by Agricorp, or under other federal and/or provincial income tax and other federal and/or provincial programs, or (b) payment to Agricorp upon demand. My obligation to repay and Agricorp's right to recover overpayments are not subject to any limitation period and will survive even if I stop participating in the Initiative.

9. If I have any pre-existing debts to the Crown in right of Ontario or Canada, the amounts of these debts may be deducted from any funds otherwise payable to me under this program.

Using and sharing information

10. The information contained in this application or submitted to Agricorp in connection with the funding is subject to disclosure under the *Freedom of Information and Protection of Privacy Act* or other applicable laws.
11. The information collected under the Initiative, or under other programs administered by Agricorp or the Ontario Ministry of Agriculture, Food and Rural Affairs (OMAFRA), may be shared between Agricorp and any government department/ministry, agency or third party to verify compliance with other provincial and federal funding initiatives, to confirm the information provided, to verify eligibility for Initiative funding, and to identify funds that may be owing to the Province of Ontario under any other provincial funding program. Information may also be shared for the purposes of administering and auditing the Program as well as other programs administered by Agricorp or by OMAFRA, or for developing other programs and agricultural policies.
