### 2024 Information Sheet Tender Fruit and Tender Fruit Trees

The information in this document applies to the following fruit crops and trees: peaches and nectarines, pears, plums, sour cherries and sweet cherries.

#### Updates

##### Making coverage changes?

Customers should contact Agricorp by January 1, 2024. This year we will accept coverage changes up until **January 2, 2024** due to the statutory holiday.

#### Rates

Base premium rates for Production Insurance are set annually to reflect factors like past performance of the plan, changes to the claim price, and the level of the Ontario Agricultural Products Insurance Fund. The federal and provincial governments pay all of the administration costs, up to 60% of your production, including additional tree mortality loss coverage, and the full cost of your standard tree mortality loss coverage.

### 2024 Customer premium rates by coverage level for tender fruit crops
