2021 Information Sheet SDRM: Edible Horticulture

This information sheet works as part of your SDRM: Edible Horticulture Participant Handbook and provides details specific to the program year, including information about allowable net sales (ANS). The participant handbook outlines what you need to know about the self-directed risk management (SDRM) plan for edible horticulture, how to participate and your responsibilities as a participant.

Calculating your maximum deposit amount

Your allowable net sales (ANS) is used to calculate the maximum deposit amount you can make to your SDRM account. Your ANS is the total allowable net sales of eligible commodities minus your total allowable purchases for those commodities. Your maximum deposit amount is a variable percentage of your ANS:

If your ANS for the tax year is:

- \$2.5 million or less, your maximum deposit amount equals 2% of your ANS.
- Between \$2.5 million and \$5 million, your maximum deposit amount equals 2% of the first \$2.5 million and 1.5% of the balance of your ANS.
- Greater than \$5 million, your maximum deposit amount equals 2% of the first \$2.5 million, 1.5% of the amount over \$2.5 million up to \$5 million, and 1% of the balance of your ANS.

Examples

Allowable net sales (ANS)	Up to \$2.5 million (× 2%)	+	Between \$2.5 million and \$5 million (× 1.5%)	+	Over \$5 million (× 1%)	=	Maximum deposit amount*
ANS = \$50,000	$\$50,000 \times 2\% = \$1,000$					=	\$1,000
ANS = \$4 million	$\$2.5 \text{ million} \times 2\% = \$50,000$	+	$\$1.5 \text{ million} \times 1.5\% = \$22,500$			=	\$72,500
ANS = \$6 million	$\$2.5 \text{ million} \times 2\% = \$50,000$	+	$\$2.5 \text{ million} \times 1.5\% = \$37,500$	+	$\$1 \text{ million} \times 1\% = \$10,000$	=	\$97,500

*To ensure fair distribution of funds, government contributions may be made in instalments and may not equal 100 per cent of your deposit amount.

For full particulars of SDRM: Edible Horticulture terms and conditions, refer to the documents below for the current program year:

- Ontario Self-Directed Risk Management Program for Edible Horticulture Farmers Guidelines
- Minister's Order No. 0004/2019, as amended (Ontario Self-Directed Risk Management Program)
- Order-in-Council No. 1460/2018, as amended (Business Risk Management Review Committee)

If there is any conflict between the participant handbook or information sheet, and the guidelines, the guidelines take precedence.

For copies of the guidelines, contact the Ontario Ministry of Agriculture, Food and Rural Affairs.
