

# 2020 Application Marketing and Vineyard Improvement Programming

Complete this application to receive Marketing and Vineyard Improvement Programming (MVIP) funding for 2020. Applications are accepted on a first-come, first-served basis. For terms of the program and for assistance completing this application, see the MVIP Guidelines (available on agricorp.com). There is no cost to apply.

## Section A: Applicant information

Select one  Sole proprietor  Corporation  Partnership  Unincorporated association

Agricorp ID (if you have one)	Business number (for corporations and some partnerships)	Correspondence language
A		<input type="checkbox"/> English <input type="checkbox"/> French

Business name (for sole proprietor, include first, middle and last name; for corporations, use incorporated name)

Grape Growers of Ontario (GGO) number	Farm Business Registration number

## Section B: Mailing address

Business mailing address (include civic number and road name)

City/Town	Province	Postal code

Primary business telephone number	Alternate business telephone number	Business fax number

Preferred method of communication for program information (for MVIP only)  Mail  Fax  Email (to primary contact below)

## Section C: Signing authority

Please list up to two signing authorities for your business. Signing authorities can conduct all transactions related to your business, including signing cheques and enrolling in programs.

### Primary contact

First name	Last name	
Business telephone number	Extension	Email address

### Secondary contact

First name	Last name	
Business telephone number	Extension	Email address

**Section D: Main vineyard location**

County/District/Region			Municipality				
Geographic township	Lot	Concession	Premises ID (required for eligibility)				
			O	N			

**Section E: Other funding** (if applicable)

*If you applied for or received funding for this vineyard improvement project from another source, provide the details below.*

Funding source (e.g., program name)	Amount
	\$

**Section F: Vineyard improvement plan estimated costs** (for individual applications)

*Enter the number of acres or metres and estimated costs for eligible vineyard improvements you plan to make. Note: For jointly-owned equipment, complete Section G.*

Program element	Work code	Eligible vineyard improvements	Maximum flat rate cost/unit	Acres or metres to be worked		Estimated costs (\$) (excluding HST)
				No.	Units	
Consultation with viticulture expert	0401	Consultation with a viticulture expert for new technology and innovation; crop protection consultation				\$
Improved viticulture practices	0501	Mechanical pre-pruning machine				\$
	0502	Mechanical leaf remover (excluding current industry standard mechanical leaf removers)				\$
	0503	Soil amendment spreading machine (side dressing-type equipment for compost or mulch, but not manure spreaders)				\$
	0504	Weed control equipment other than sprayers and not including a grape hoe				\$
	0506	Purchase of drift reduction sprayers and nozzles, 4 row sprayer or equipment modification for improved spray application				\$
	0507	Pruning shredder (not mowers) and other tools used to reduce disease inoculum or overwintering insects				\$
	0508	Specialized Equipment (harvester attachment that removes stems and leaves, optical sorting equipment, MOG removers)				\$
	0509	Equipment for precision agriculture including but not exclusively, automated guidance systems, and real time monitors on vineyard equipment, harvester mounted yield monitors, harvester mounted fruit sorters, sprayer monitors, drones or other sensing equipment				\$
Reducing cold injury	0604	Insulating fabric for winter protection (including equipment for application and removal)				\$
Improved irrigation infrastructure	0701	Purchase of trickle irrigation equipment, including flow meter (mandatory)				\$
	0702	Installation of trickle irrigation system (including the installation of ponds as a component of a trickle irrigation system)	\$0.40/metre			\$

**Section F: Vineyard improvement plan estimated costs (cont'd)** (for individual applications)

Program element	Work code	Eligible vineyard improvements	Maximum flat rate cost/unit	Acres or metres to be worked		Estimated costs (\$) (excluding HST)
				No.	Units	
Pest management	0801	Non acoustical pest management systems (bird netting, night guard retrofit, electric fencing)				\$
	0802	Sampling/testing for viral diseases				\$
Improved environmental monitoring	0901	Purchase or modification of sensing/monitoring equipment related to wind machine operation (including transition to natural gas)				\$
	0902	Purchase of soil moisture sensors, remote sensors, weather stations to measure temperature, wind speed and direction, leaf wetness, and rainfall and like equipment				\$
	0903	Purchase of purpose-designed software to manage weather data				\$

**Total estimated cost** \$

**Total funding requested** \$  
(35% of total estimated cost)

**Section G: Joint ownership of equipment** (for group applications)

*If you plan to share the cost of any equipment or items with other party(ies), you must each apply to receive separate funding. For more information, see the Group Applications section of the MVIP Guidelines.*

Program element (from Section F)	Work code (from Section F)	Total cost (\$)	Business name(s) of co-applicant(s)	Cap allocated to item (\$)	Share of ownership (%) (must total 100%)
		\$	Applicant listed in Section A	\$	
				\$	
				\$	

**Section H: Additional questions**

- How many eligible acres of hybrid and vinifera grapes (classes 5-10f) do you grow?
- As part of this project, are you planning to work on acreage that has not been previously cultivated? This includes ground that has never had any previous plantings (e.g., grapes, fruit trees, crops including cover crops).  Yes  No

**Section I: Vineyard location** (where project work is to be completed)

Vineyard ID	Total acres	Street address	City/Town	County/District/Region	Lot	Concession	Do you own or lease the land?
							<input type="checkbox"/> Own <input type="checkbox"/> Lease
							<input type="checkbox"/> Own <input type="checkbox"/> Lease
							<input type="checkbox"/> Own <input type="checkbox"/> Lease
							<input type="checkbox"/> Own <input type="checkbox"/> Lease

**Section J: Description of flat rate work for installation of trickle irrigation systems** (work code 0702)

Vineyard ID	Block ID	Variety	Acres or metres to be worked		Work code (from Section F)	Description of work
			No.	Units		
					0702	
					0702	
					0702	
					0702	

**Section K: Landowner's consent for MVIP activities**

Complete this section **only** if you are leasing your wine grape acreage.

**Landowner details**

First name	Last name
------------	-----------

Business name (if applicable)
-------------------------------

Mailing address (include civic number and road name)
--

City/Town	Province	Postal code
		<input type="text"/>

Primary business telephone number	Alternate business telephone number	Business fax number
<input type="text"/>	<input type="text"/>	<input type="text"/>

**Signature and consent of landowner**

By signing below, I certify that:

- I am the owner of the property described in Sections D, I and/or J of this form
- I hereby give my consent to the applicant as described in Section A of this form, to undertake the proposed activity as described in Section F: Vineyard improvement plan estimated costs on the above-mentioned property.

Furthermore, I authorize Agricorp and its agents to access said property at any time, with notice and during normal business hours, for the purpose of conducting an audit or investigation with respect to the project as submitted by the applicant.

Name (please print)	Signature (not required for emailed applications)	Date (YYYY/MM/DD)
	X	

**Note**

Your submission of this application by email confirms that you have obtained the landowner's consent in writing on or before the date of this application, and can provide the consent to Agricorp on request.

## Section L: Agreement and signature

### I understand, agree and certify that:

#### General

1. I have read, understand and agree to all Marketing and Vineyard Improvement Programming (MVIP) eligibility requirements, entitlements and obligations as contained in this application and described in the Application Declaration as set out in the MVIP Guidelines. I understand that my participation in the program will be confirmed by signing and submitting an Offer to Proceed.
2. To the best of my belief, all information submitted on this application is accurate and true.

#### Overpayments and recoveries

3. Any payments that I receive under MVIP beyond the amount I am entitled to in the program year, or in contravention of: (a) any program requirements, (b) the obligations set out in this form, or (c) the laws of Ontario or Canada, will be considered an overpayment and a debt due and payable to the Crown in right of Ontario or Canada. I confirm that any overpayments, plus any interest accruing at the quarterly rate set by the Ontario Ministry of Finance, will be repaid either by: (a) offset from payments owing to me under this or any other program administered or delivered by Agricorp, or under other federal and/or provincial income tax and other federal and/or provincial programs, or (b) payment to Agricorp upon demand. My obligation to repay and Agricorp's right to recover overpayments are not subject to any limitation period and will survive even if I stop participating in MVIP.
4. If I have any pre-existing debts to the Crown in right of Ontario or Canada, the amounts of these debts may be deducted from any funds otherwise payable to me under this program.

Name of applicant	Signature (not required for emailed applications) X	Date (YYYY/MM/DD)
Name of partner	Signature (not required for emailed applications) X	Date (YYYY/MM/DD)

#### Notes

For corporations, the signatory must be an authorized signing officer. For partnerships, all partners must sign.

Your submission of this application by email is equivalent to an electronic signature.

## Section M: Submit completed form
