Call Agricorp

When you have finished calculating your yield, call Agricorp at 1-888-247-4999. The final date to report your yield is **December 15**.

Please be ready to answer the following questions:

1. How does this yield compare to your yields in recent years? (check one):

Above average Average Below average

2. If your yield is below average, what was the cause of loss? _____

3. How many acres did you harvest? _____

4. On what date did you finish harvest? _____ / _____ / _____
 mm dd yyyy

5. Are any acres unharvested? _____

6. What was your yield per acre? _____

7. If you have on farm storage, did you obtain sample test weights? _____

Note: Each year you build an average farm yield that reflects your production potential. Agricorp uses the yield you report to update this average. For customers who do not report their yield, Agricorp may substitute a yield value to establish the customer's average farm yield for the following year. Protect the equity you have built in your average farm yield by reporting your yield by **December 15**.
