When you have finished calculating you	ur yield, call Agricorp at 1-888-2	47-4999. The final date to rep	ort your yield is December 15.			
Please be ready to answer the following	g questions:					
1. How does this yield compare to you	r yields in recent years? (check	cone):				
	Above average	Average Belo	ow average			
2. If your yield is below average, what	was the cause of loss?					
3. How many acres did you harvest _						
4. On what date did you finish the harv	est?	_				
5. Are any acres not yet harvested? _	mm dd 	уууу				
6. What was your yield per acre?						

Note: Each year you build an average farm yield that reflects your production potential. Agricorp uses the yield you report to update this average. For customers who do not report their yield, Agricorp may substitute a yield value to establish the customer's average farm yield for the following year. Protect the equity you have built in your average farm yield by reporting your yield by **December 15.**
