Call Agricorp							
When you have finished calculating your yield, call a	Agricorp at 1-888	3-247-4999. T	he final da	te to report your yield	is December 15.		
Please be ready to answer the following questions:							
1. How does this yield compare to your yields in red	cent years? (che	ck one):					
Above a	verage	Average		Below average			
2. If your yield is below average, what was the cause	se of loss?						
How many acres did you harvest?							
4. On what date did you finish the harvest?							
5. Are any acres not harvested?		уууу					
6. What was your yield per acre?							
7. If you have on farm storage, did you obtain same	ole test weights?						

Note: Each year you build an average farm yield that reflects your production potential. Agricorp uses the yield you report to update this average. For customers who do not report their yield, Agricorp may substitute a yield value to establish the customer's average farm yield for the following year. Protect the equity you have built in your average farm yield by reporting your yield by **December 15.**
